

### Activating the SIM card.

- To activate the SIM card, please call 0800 664 295, your SIM will be activated immediately.

### Purchasing credit.

B.free vouchers (€ 10, € 20 and € 40) are available almost everywhere:

- A1 Shops
- post offices
- newsagents and kiosks
- supermarkets
- petrol stations

If you have an Austrian bank account, you can additionally top up your credit via online banking, at cash machines or via paybox.

### Topping up credit.

You can easily top up your credit by entering the following key combination directly from your B.free mobile:

1. Enter **\*102\*** and the 13-digit numerical code on the B.free voucher, and press **#** (e.g. **\*102\*1234567890123#**).
2. Press the call key – and that's it! After topping up successfully you will receive a confirmation text message including your current credit balance.
3. Use **„Mein A1“ App**, which is available for iOS and Android.

### Checking your credit.

With B.free checking your credit balance is very easy: Just dial **\*101#** and press the call key. You will immediately receive a text message with your current balance. This service is free of charge.

### Using your A1 voice mail.

Your A1 voice mail („A1 Mobilbox“) answers incoming calls in your absence. To listen to messages in your A1 voice mail from your mobile, dial **66477**.

You can also access your A1 voice mail from another mobile phone, from a landline or from abroad: dial **+43 664 77** and your 7-digit B.free phone number. Interrupt your greeting message by pressing **#** and enter your 4-digit voice mail password (next to your PIN in your B.free Welcome Letter).

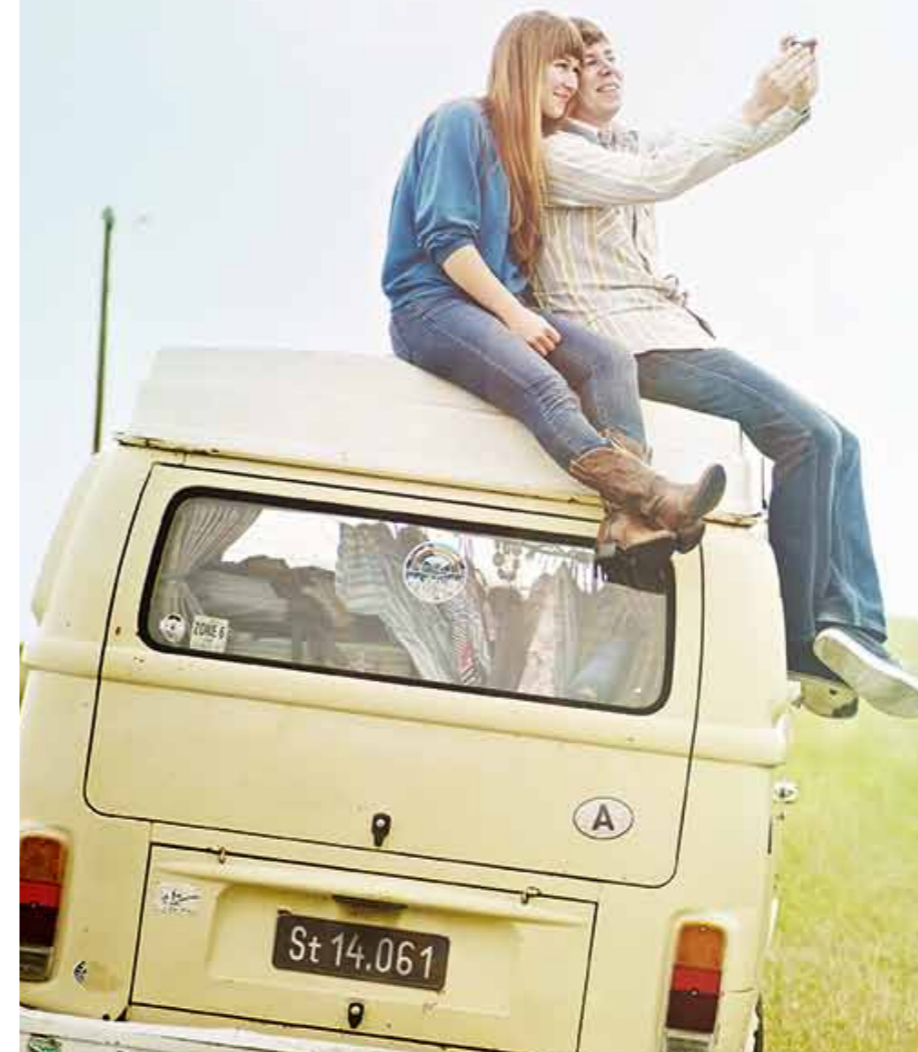

The default communication language for your A1 voice mail and text messages is German, but it can be changed to English: Just dial **66477** and as soon as you hear the A1 voice mail information in German, press the key combination **\*332**.

### „Mein A1“ App

Download the „Mein A1“ App and use the App to check your free units, current balance or to simply top up your B.free card. Available for iOS and Android.

After 6 month	-	<b>€12,-</b>

<sup>1</sup> Best mobile network in Austria approved by connect (edition 01/2014). A1 Telekom Austria AG achieved the best overall result.

<sup>2</sup> The special offer for ESN students is valid between August 10th 2015 and August 7th 2016.

**B.free 5:** After activating the SIM card this tariff is preset and applies for 6 months. If the tariff has not been extended by topping up at least € 20 within 6 months, the tariff is automatically changed over to B.free 40. 60/60 pulsing.

**B.free tariffs:** if the credit amount is not sufficient enough for an extension, you make calls in the tariff B.free 40 (more details on A1.net). As soon as enough credit has accumulated within 4 months, we immediately debit the respective amount and your selected tariff is active again. If after 4 months, not enough credit has accumulated, a new registration is required. Tariffs listed: included units apply Austria-wide for 30 days. Voice connections/text messages apply to A1 (including A1 Mobil PBX Link Service), A1 Mobilbox, other mobile communication accesses and landlines per month per access and can only be used until the end of your billing period; otherwise it will be charged according to B.free 40. Not included: operator speed-dial numbers, service and value added numbers, text messages confirmations (EUR 0.40). After use billing conducted per started MB in 128kB steps. Can not be combined with B.free Social, B.free Internet and the option B.free friend. Deregistration of B.free S per text message with „AUS“ to 2910, B.free L „AUS“ to 2930. With activating the SIM card and a first registration of B.free L, there is one month for free.
